

Autumn 2016 -21st September

Dear Parents,

As part of our **harvest celebrations** we will be collecting for the Bury St Edmunds food bank next week. If you can support this with **dry goods**- tins, packets, cereals, etc these will be gratefully received. Can you please send in your contributions next week on Monday/ Tuesday or Wednesday morning. Thank you.

Whilst writing I am attaching a flyer from our friends at Lavenham library who are promoting their **literary festival** at the end of October. This looks like a lovely event for the whole family to take part in.

Collection of textiles. Although we do not have a Phil the Bag collection this term we would urge you to use the clothing recycling bin in the village hall car park please as we receive the income from this collection . Monies raised is really useful when buying additional classroom resources.

Football Club- sadly this is not well attended but I quite understand as a lot of the boys have training that night with their own football clubs. However if numbers do not improve I will be looking to change the club to something that will hopefully be more popular, such as gym.

Guitars - Jack is back and he was pleased to see several of his past students returning for lessons. There is room for more and if your child is interested they are welcome to come along on Thursday lunchtime for a taster. If you would like more information about cost please see Mrs Maskell in the school office.

Phonics workshop - parents are invited to attend a 20-30 minute session next Monday at 9am, in the Village Hall. This session is aimed at new parents to the school or those who missed it last year. We hope you will come along and in particular parents from Lime Class.

Sickness – some children have been poorly this week and we would ask that they are kept off school until symptoms subside, that they are eating well and 48 hours have passed since they were last sick.

Kind regards,

Mrs Harkin
