

Autumn: 2019

History/Geography:

A local study - Lavenham.
Year 2 children will focus on how houses and other buildings have changed over time and link this with learning on everyday materials in science.
Year 3s will begin to look at the wool trade and how this impacted on the development of Lavenham.
We will look at maps on a local, county and national scale.

Significant individuals - Elizabeth Garret Anderson, Jane Taylor.

Literacy/Guided reading:

Major Glad, Major Dizzy

Focus on fiction - Year 2 - sequencing events to make stories with a beginning, middle and end. Year 3 - creating settings, characters and plot. To compose and rehearse sentences, including dialogue building a rich and varied vocabulary and a range of sentence structures.

Poetry - recognising the features of a poem and creating poetry based on an image.

Music: BBC ten pieces.

We will be listening and reflecting on orchestral music.
Composing our own piece of music using voices and instruments.

PSHE:

Friends and relationships focussing on my feelings, my body and my relationships.
Drugs, alcohol and tobacco including a learning together workshop with parents.

Maths

- Place value - identify, represent and estimate numbers to 1000 or 10,000
- Addition of numbers within 10,000 and subtraction of numbers within 1000
- Worded problems involving addition and subtraction.

Science:

Year 2s will be learning about the uses of everyday materials. They will find out more about the properties of materials and how they are suited to particular jobs.

Year 3s will be learning about sound and investigating how it travels. They will also find out more about animals including humans.

Computing:

Year 2 - we are storytellers - making books. Year 3 We are co-authors - making our own wiki page.

Year 2 - we are programmers.

Year 3 - we are bug fixers - develop strategies for finding errors

French:

Bonjour! We will be developing our speaking and listening skills focussing on greetings, instruments and numbers 1-20.

Reading and writing short sentences - Les animaux.

We will find out about gender, j'ai, je n'ai

PE:

Games - tag rugby

Gym - creates a sequence using up to 6 elements.
Extended within 2nd half of term to include use of apparatus.

Dance - Dances from around the world.

Art:

- Painting - landscapes - Lavenham
- Textiles - weaving linked to wool trade in Lavenham.

RE:

Christianity - How do Christians show that reconciliation with God and other people is important?

Islam - How does a Muslim show their submission and obedience to Allah?

Spring 2020

Science:

Animals including humans.

Year 2s will look at life cycles of a range of animals as well as finding out what animals need to survive. They will find out more about the need for exercise, a healthy diet and hygiene.

Year 3s will find out about light, reflection and shadow. They will investigate how light travels and who and why shadows change.

Special Day –
the
environment

Special Day –
British Values

RE:

Christianity - Why are good stewardship and generous giving important for every Christian?
Christianity Why is the cross more than a symbol of sacrifice?

Maths:

2D and 3D shape

Angles

Perpendicular and parallel lines

Multiplying by 2,5 and 10 (year 2)

Multiplying by 6,7,8 and 9 (year 3)

Fractions

Solving word problems involving multiplication and division

Geography/History:

The mysteries of Egypt

We will spend some time developing our locational knowledge of the world's countries, focussing on environmental regions, countries and major cities.

We will investigate the civilisation of the Ancient Egyptians.

Literacy

Fiction - read books that are structured in different ways. Find out about story themes and learn from the structure, vocabulary and grammar.

Non-fiction - information texts about Ancient Egypt.

Poetry - recognising the features of a poem and creating poetry based on an image.

Music:

To play beginner instrumental parts looking at musical notation. Recorders and glockenspiels

Computing

Y3 - We are presenters - shoot and edit live video

Y2 - We are photographers -

Y3 - We are network engineers - understand physical hardware connections.

Y2 - we are detectives

PSHE:

Online safety including a learning together workshop with parents.

Main focus - Health and prevention of illness.

Mental health and wellbeing

Art:

Drawing - observational drawing - Egyptian artefacts.

Printing - collagraph blocks

PE:

Gym - develop flexibility, strength, technique, control and balance.

Games - play competitive games, modifying where appropriate applying basic tactics for attacking and defending.

French:

Developing oracy, reading and writing.

Bon anniversaire - snacks, birthdays months and foods.

Quelle heure est-il - time and short phrases.

DT:

Design and make project - Textiles - sewing - design and make a purse or bag to hold your Egyptian treasures.

Geography and History

The Romans

We will be finding out about the Romans, who they were, what they did and what was the **BIG NEWS** in Pompeii. We will also look at the geography of volcanoes.

In geography we will find out about Italy and compare it with the UK, considering physical and human geography.

Science:

Year 2 - Plants - we will be investigating how plants grow and what they need in order to grow.

Year 3 - We will be learning more about living things and their habitats. They will also do investigations leading up to completing the Crest Science awards.

French:

Les Fetes! Festivals, presents and dates
En Mange - Food shopping and food likes and dislikes.

Music:

To recognise different styles of music and their indicators.

Art:

3D - clay coil pot
Painting - focus artist Georgia O'Keefe

DT:

. Healthy eating - making healthy pizzas (link to Italy!)
Shell structure -making a box to transport our pizza

PE:

Games - striking and fielding. Football skills linked to the European Cup.
Athletics - running, jumping, throwing and catching.

Maths

Area and perimeter
Length mass and volume
Solving word problems involving measure
Mental calculation
Time
Money
Data handling

Special Project
- Tokyo and
the Olympics!

Special Day -
commemorating
75 years since
VE Day

PSHE:

Physical health and fitness
Basic first aid
Friends and relationships - my beliefs, my rights and responsibilities and asking for help.

Literacy -

Reports - Year 2 We will be finding out about the features and organisation of non-chronological reports.

Explanations - year 3 - we will be finding out about the features of explanation texts and learning to organise paragraphs around a theme. Linked to work on Romans.

Computing:

We are communicators - develop an understanding of emails works.
We are opinion pollsters - designing surveys, using data to make charts of results.

RE:

Christianity - What do Christians mean when they talk about the Kingdom of God?
Judaism - What symbols and stories help Jewish people remember their covenant with God?
