Dear Parents,

We hope you have had some success with home schooling, we've enjoyed seeing your pictures and we will be putting a few more on the website later this week.

Do have a go at some of the Easter Activities too.

We close tomorrow for the Easter break and will re-open for children of key worker/vulnerable children after the break. We will be sending/delivering new home learning materials for you to stick into the children's books for the start of the summer term. Please think about a timetable that will include reading/TT math rockstars and some daily spelling. Supplement this with some literacy/math and topic work we are sending home. We suggest 2 hours a day of home schooling broken up into chunks. We appreciate this can be tricky if you are working from home too and you have children in different age groups. Your best is good enough!

If you have any worries around safeguarding/online safety do get in touch, we will respond to any message/email. We have updated our safeguarding policy during this time which is on our website. Don't forget in the event of an urgent safeguarding/child protection worry, contact Customer First on 0808 800 4005.

See also <https://www.gov.uk/government/publications/closure-of-educational-settings-information-for-parents-and-carers> for help and advice.

Take care and we'll be in touch after Easter.
