Head Teacher: Mrs Trudie Harkin

Monday 18<sup>th</sup> May, 2020

Dear Parents and carers,

As we all know the Government are expecting children in EYFS, Y1, and Year 6 to return to school on the 1st June, alongside children of key workers etc. We have been in touch with parents of those children and a plan of action has been laid out in a separate letter.

I anticipate that we will be told in the near future that all children should return to school and I'm guessing that this may be around the 15<sup>th</sup> June. The number of children per classroom will be limited and at that time we will teach year groups separately. This will present many challenges as you can imagine in terms of space and adults available. More details about this will be available when we know a date.

In the meantime, we will be sending home learning packs for those in Years 2/3/4/5 to work on after half term.

As teachers will be planning lessons for those in school, there will be a limited opportunity to plan for those who are not. However, we will be sending some activities and worksheets home for the youngest children in due course and Y6. This will not be a long term commitment. The government has said there is no obligation for us to do so once the school is open to your child's year group but we will not leave you without work to do in the first couple of weeks.

We will keep you informed of developments and I appreciate it is a very uncertain and worrying time.

As from this Friday the school will be closed for half term for one week. Our PD day on the 1<sup>st</sup> June has been cancelled.

Kind regards,  
Mrs Harkin
