

Home Learning Grid – Oak Class w/c 11.1.21

	Daily	Weekly	Extras!
Reading	<p>Get reading! You should now have your reading log on details for 'Get Epic' and I have assigned you some books to read. Make sure you do some reading every day. Maybe you could read some of your home books as well</p>	<p>Have a look at the common exception words in your reading diary. Check that you can read all of the year 1 words first (near the front of your diary) then move onto the Year 2 words (near the back) Which are you finding tricky? Can you make some flashcards with them on to put up around your house so you practise them lots? Or maybe you could make a pairs game?</p>	<p>Make a short video to tell me all about your favourite book. You could show me what happens in the story, why you like it and show some of the pictures too.</p>
Writing	<p>Practise your spellings! There were some spelling ideas in your pack that came home. In addition, try Spelling Frame: https://spellingframe.co.uk/spelling-rule/2/Year-2 Play any of the first 6 games or anything from game 28 onwards. SPaG Job - watch https://www.bbc.co.uk/bitesize/topics/z8mxrwx/articles/zwgbcwx to revise suffixes. Challenge: To move on, your next task is adding -ly as a suffix https://www.bbc.co.uk/bitesize/topics/z8mxrwx/articles/zqghtyc Watch the clips and complete the quiz.</p>	<p>We are going to start writing our story this week. We will start in a live lesson together on Thursday. Before Thursday try to do something from the 'daily box' each day.</p> <p>Live lesson - story writing Thursday 14th January - 10.30am - link has been emailed out. You will need a pencil and the sheet labelled plot point 1.</p> <p>Follow up tasks in packs. Complete 1 plot point per day. Thursday 14th PP1, Friday 15th PP2, Monday 18th PP3</p> <p>Please email in writing completed so that I can give feedback.</p>	<p>Start a diary! A new year is a great time to start a diary. Just write a few sentences to say what you did each day, how you felt and maybe even what you ate.</p> <p>Or write a letter or an email to someone you are missing in lockdown! You might be able to post it if you go for a walk.</p>
Maths	<p>Try going to daily 10 to practise your key maths skills - select level 2 and choose your own speed. https://www.topmarks.co.uk/maths-games/daily10</p>	<p>Make sure you tackle some of the learning in the maths booklet I have sent home. At least 1 page per day. Don't forget to send me photos of what you have been doing.</p>	<p>https://whiterosemaths.com/resources/classroom-resources/problems/ This link will take you to the White Rose maths problem</p>

	<p>This week in school we would also have been looking at doubles - so practise these on daily ten or on hit the button https://www.topmarks.co.uk/maths-games/hit-the-button</p> <p>Remember to log on and play TT Rockstars - I'll be looking to see who has been practising!</p>	<p>Monday - Equal and unequal groups - tasks in packs Live lesson - multiplying by 2 Tuesday 12th January 10.30am link has been emailed. You will need a pencil and the multiplying by 2 worksheet. If you have anything you could use as counters, that would be great too - maybe lego bricks or buttons. Don't worry if you haven't though.</p> <p>Wed-Fri Follow up tasks in packs. Teaching videos online via this link: https://whiterosemaths.com/homelearning/year-2/spring-week-2-number-multiplication-and-division/</p>	<p>solving page. Here you can download 'Problem of the day' - scroll down for Key Stage 1 problems. Answers are included so you can check your work.</p>
--	--	---	--

Science	<ul style="list-style-type: none"> • Get outside! Can you find any evidence of animals in your garden or while you are out on a walk? Try looking for smaller creatures such as snails, slugs and worms. If you are really lucky you may also see some of their life cycle - last year the Year 2s found a slug and some slug eggs! Take a photo and write down what you find. • Watch the powerpoint attached to this email. In it, you can hear me telling you about slug life cycles and together we can work our way through drawing a life cycle one step at a time.
Geog-raphy	<p>Revise key knowledge from last half term with the pirate bunnies! https://www.bbc.co.uk/bitesize/topics/zvzd8xs/articles/z6vyf4j</p> <p>This game will help you revise the continents and oceans as well as introducing you to North, South, East and West. Watch the powerpoint attached to this email. In it we will look at the physical features of an island and talk more about North, South, East and West. There is a job to go with this in your pack.</p>
PE	<p>PE with Joe Wicks is starting up again on Youtube on Mondays, Wednesday and Fridays at 9am.</p>
PSHE	<p>Online safety -Watch video at https://www.childnet.com/resources/video-lessons/the-s-rule</p>

Both the science and geography powerpoints have speaker icons on some slides - click to listen to the instructions 😊 To view full screen in powerpoint go the 'slideshow' menu and then select 'start from beginning.'
