

Year 4 Home Learning

Week beginning: 18th January 2021

Year 4	Daily Tasks	Weekly Task	Optional Extra
Reading	<p>Try to read your reading books or other books from home. When you are reading try to predict what will happen next. Also try to find a new fact that you have learnt about a character each day - can you find evidence in the text to prove it.</p>	<p>When reading, look for the techniques we have been using in our writing. Can you find any of the following in your book?</p> <ul style="list-style-type: none">- Subordinate clauses- Rhetorical questions- Metaphors- Speech (is it at the beginning of a sentence or at the end)	<p>Choose 3 characters from a story and put them in order of importance. Write a short paragraph or explain to your grown up why you have put them in that order. Would your grown up put them in the same order?</p>
Writing	<p>Write a story about one of your toys coming to life and going on an adventure. Write one paragraph of your story each day.</p> <p>Continue practicing words from the Year 4 tricky words and also practice spelling rule 3 and 4 on Spelling frame. https://spellingframe.co.uk/</p>	<p>Over the next few weeks, you are going to be writing a non-chronological report based around our geography topic. You will be basing your report on a county in the UK of your choice. Each week I will set you a paragraph to research and write. This week you are going to write a paragraph about the physical geography.</p> <p>You need to include:</p> <ul style="list-style-type: none">- the weather, rivers, hills/mountains, seas/beaches, plants/animals that are specific- a simile, fronted adverbial and touching sentence.- conjunction - although, while, but <p>Complete the Oak Academy lesson about complex sentences.</p>	<p>Invent a new machine and design an advert to sell it.</p>

Maths	This week's focus is going to be multiplying 2 digit numbers by 1 digit numbers. Each day complete one of the sheets in your pack.	Spend some time practicing your times tables on TTRockstars and having a go at some of the games on Topmarks https://www.topmarks.co.uk/ As well as multiplying 2 digit numbers this week you can also practice applying your times table knowledge by completing the word problem sheet.	How many different shapes can you find around your house? Create a tally chart to see which shape is the most common. Challenge: turn your tally chart into a bar chart.
Other Subjects	<ul style="list-style-type: none"> - Science-What are magnets https://classroom.thenational.academy/lessons/what-are-magnets-cgvkee?step=2&activity=video Challenge: How many things can you find that use magnets? - Geography- what is the geography of Wales https://classroom.thenational.academy/lessons/what-is-the-geography-of-wales-61jpar - Music- body percussion, lesson 1 https://classroom.thenational.academy/lessons/body-percussion-part-1-cdjkgd - PSHE- read through the power point and complete the 3 activities. 		
Optional Extra	Compare what it is like in France and what it is like in another French speaking country.	<ul style="list-style-type: none"> - Create a picture or sculpture using things you can find outside like leaves stones and sticks. - Write a persuasive letter to convince a famous person to come to your house for tea.
