Put the information on the Venn diagram depending whether it is a difference that just Brazil has or just the UK. If it is a similarity that both countries have, then it goes in the middle where the two circles meet. Colour your facts in (or highlight) to show if they are a human or physical geographical feature e.g. highlight blue for human geographical facts and green for physical geographical facts.</p>
Science	<p>NEW! It's all about the heart. Complete the quiz first, then read through the instructions and watch the video. <b>Video</b> – The circulatory system <a href="http://www.youtube.com/watch?v=NF68qhyfcoM">http://www.youtube.com/watch?v=NF68qhyfcoM</a> Then complete the reading comprehension, label the drawing, and then have a go at the experiment and create a graph -see enclosed sheets. This should take a morning or two afternoons, so plan your week.</p>
Creative Arts	<p>If you have a shoe box at home, decorate it to turn it into the magic box like the one in our English poem – ‘The Magic Box.’ You could decorate it like the one in the poem or create your own one. If you don't have a shoe box, use the net from the worksheet to create your own magic box. You could then use it to put any special memories in.</p>
