Geography	<p>Trade in South America</p> <p>Read through the worksheets on trade in South America. Using the worksheet 'Products from South America' cut out the pictures and stick them in the correct country in which they are produced on the South American Map. Please also label the picture (for example, write the word rice next to the picture of rice). You could draw more products in the correct countries on your map using the small fact cards. Check through the packaging on your shopping, was anything grown or produced in South America? You could add these to your map too.</p>
Science	<p>Complete revision lessons on Oak Academy. Complete Electricity assessment by Friday 12th. We will be going through the answers in our Zoom call</p>
RE	
Physical Education	 <p>Make sure you are doing your daily activity – walking, cycling, running. Remember to record your miles and email them into school on a Thursday morning so that I can total up the mileage for the week. We are nearly there, we have nearly walked the Suriname coastline – keep going!</p>
PSHE/Creative Arts	<p>Using the ideas from the worksheets over the last couple of weeks, design a Mental Health poster that might help people to look after their mental health and give examples of what they could do or who to talk to if they need help. Your poster might also encourage people to talk about their feelings and remind everyone to always be kind as we don't always know how people are feeling on the inside.</p>
Spanish	<p>Practice Spanish greetings and learn how to ask someone how they are feeling using the website below. How are you? = ¿Qué tal? or ¿Cómo estás?</p> <p>https://www.bbc.co.uk/bitesize/topics/zbkjmvc/articles/z4bnpg8</p> <p>Play the 'How are you? dice game.</p>
