Add 4 things to your list each day.</p>	<p><b>Zoom phonics lesson with Miss Fairless - Monday 8th 10am</b></p> <p>On Friday 12<sup>th</sup>, it is Chinese New Year. Use the CBeebies website to find out about what it is and why Chinese people celebrate it.  <a href="https://www.bbc.co.uk/cbeebies/watch/chinese-new-year">https://www.bbc.co.uk/cbeebies/watch/chinese-new-year</a></p> <p>Can you find China on a map with a grown up? Can you find out which animal from the Chinese zodiac calendar you are? 2021 is the year of the ox. Miss Fairless was born in the year of the monkey.</p> <p>Draw a picture of the animal from the year you were born in and label it. Challenge: Can you write a full sentence to match your picture?</p>	<p>Write down 5 things that you would like to do in half term. It could be go to the park, bake a cake, paint a picture or ride your bike. Cut up your 5 ideas and fold them up. Pop them inside an empty jar or pot. During half term, you can shake the pot to mix them up and pick one out for a surprise activity to do.</p>

Reception Home Learning  
Week beginning: 8th February

		<p>How did Abbie and her family get ready for Chinese New Year? Use the Chinese New Year paper to write about what you have learnt. Remember to count the sounds you can hear in each word before writing it and use your alphabet mat, sound mat and tricky word mat.</p>	
<b>Maths</b>	<p>Which numbers have you found the trickiest to form correctly? Practise one number each day.</p> <p>Each day, complete one of the <b>Maths Activity Mats</b>.</p>	<p>This week you are going to be comparing capacity and volume.</p> <p>Capacity is how much a container can hold. Volume is how much is in the container.</p> <p>Explore capacity and volume at home using different containers and something to fill them. You might like to use water, sand if you have a sand pit, mud if you have a mud kitchen, or you could even use flour or oats. When filling your containers, can you describe the volume by using the words: <b>full, half full, empty, nearly full</b> and <b>nearly empty</b>? Can you order your containers by capacity, from the container that can hold the most to the container that holds the least?</p> <p><a href="https://classroom.thenational.academy/lessons/using-everyday-language-to-compare-and-explore-capacities-6rv62d?activity=video&amp;step=1">https://classroom.thenational.academy/lessons/using-everyday-language-to-compare-and-explore-capacities-6rv62d?activity=video&amp;step=1</a> In this lesson, you can make some oat playdough. You will also need some different containers such as cups, bowls and empty bottles.</p>	<p>Set up a role play café or picnic area at home with different sized cups. Customers must order drinks using volume words. For example, "I would like a half full drink, please." The waiters will need to carefully pour the drinks. Would it be a good idea to order a full drink? Why do you think that?</p> <p>Fill in the missing numbers on the <b>Superhero Missing Number</b> sheet.</p>

		<p>We have been learning about how to make numbers. Complete the <b>Making 6</b> activity booklet by using your part-whole model and some counting objects.</p>	
<p>Topic</p>	<p><b>Zoom lesson with Miss Fairless - Tuesday 9<sup>th</sup> at 2pm Safer Internet Day 2021</b></p> <p>On Tuesday, we talked about the internet and the fact that it is a great place to learn but sometimes there are things that are not true on the internet. We learnt what the words <b>true</b> and <b>false</b> mean and played a game to decide if statements were facts or not. We also talked about what to do if:</p> <ul style="list-style-type: none"> <li>• we don't know what to do or where to click</li> <li>• we are unsure if something is true or not</li> <li>• we see something that makes us feel uncomfortable</li> </ul> <p>We thought about which grown ups we trust to help us. They might be grown ups at home or at school. Draw a picture of each of the grown ups you trust to help you when you are online and write their names. Remember, you need a capital letter for the beginning of someone's name.</p>		
<p>Optional Extras</p>	<p>Order the Chinese New Year dragons from longest to shortest. Carefully cut them out so that you can compare the length, then place them in order.</p>	<p>Practise your scissor skills by making a Chinese New Year lantern. Here is one way to make one:</p> <p><a href="https://www.auntannie.com/PartyDecorations/ChineseLantern/">https://www.auntannie.com/PartyDecorations/ChineseLantern/</a></p> <p>Can you decorate your lantern with Chinese writing? In the CBeebies videos, Abbie writes good luck messages.</p>	<p>Make a Chinese New Year dragon. There are lots of different ways that you could do this. Here is one idea:</p> <p><a href="https://www.bbc.co.uk/cbeebies/makes/chinese-hand-dragon?collection=chinese-lunar-new-year">https://www.bbc.co.uk/cbeebies/makes/chinese-hand-dragon?collection=chinese-lunar-new-year</a></p>
