

Year 3 Home Learning

Year 3	English	Maths	Afternoon
Monday	<p>Plot point 4- decorations Complete the planning and writing page for the fourth verse of our poem.</p> <p>Just like in class green things everyone must change, red things year 4 must change and blue things are bonus challenges.</p>	<p>Statistics- bar charts Bar charts another way of showing information. There are 3 things that a bar chart should have</p> <ul style="list-style-type: none"> - A title telling you what the chart is about - What you measured along the bottom (x axis) - A scale up the side (y axis) <p>Have a look at the power point to remind you what we talked about in today's lesson before doing the task. Task: roll a dice 30 times to and record the numbers rolled in a tally chart. Then turn the tally chart into a bar chart. https://vimeo.com/501677687</p>	<p>History - last week you learnt about the Bronze Age. This week complete the lesson on the Iron Age which will be our focus for the next few weeks.</p> <p>https://classroom.thenational.academy/lessons/who-were-the-celts-and-why-did-they-use-iron-cnkhjr</p>
Tuesday	<p>Plot point 5- the sky Complete the planning and writing page for the fifth verse of our poem.</p> <p>Just like in class green things everyone must change, red things year 4 must change and blue things are bonus challenges.</p>	<p>Today you are going to be practicing how to read bar charts by answering questions about them.</p> <p>Top Tip: difference means subtracting and altogether means adding</p> <p>Task: complete todays question sheet 'bar charts' https://whiterosemaths.com/homelearning/year-3/spring-week-6-statistics/</p>	<p>Music - Complete the tasks set by Mr Sewell</p> <p>You could also have a go at creating your own piece of music using things you find outside like leaves, branches or stones.</p>
Wednesday	<p>Plot point 6- animals Complete the planning and writing page for the sixth verse of our poem.</p> <p>Just like in class green things everyone must change, red things year 4 must change and blue things are bonus challenges.</p> <p>Squirrels https://www.youtube.com/watch?v=rmGwCF3qJgk https://www.youtube.com/watch?v=S5a1efQvFNo</p> <p>Migration https://www.youtube.com/watch?v=ndJ26Zi3nN4</p>	<p>Today is all about using what you have learnt about bar charts.</p> <p>Task: Complete the reasoning and problem solving questions</p>	<p>Science - Complete this lesson about circuits. When we are back in school you will have a go at making some of your own. https://classroom.thenational.academy/lessons/what-are-the-different-components-in-an-electrical-circuit-cdk34d</p>

Year 3 Home Learning

Week beginning: 22nd February 2021

	https://www.youtube.com/watch?v=hMAS4SdPj-w		
Thursday	<p>Plot point 7- sounds Complete the planning and writing page for the seventh verse of our poem. Just like in class green things everyone must change, red things year 4 must change and blue things are bonus challenges.</p> <p>River https://www.youtube.com/watch?v=zofBingC2F4 Walking through leaves https://www.youtube.com/watch?v=0QlzxTZ_XVA</p>	<p>Statistics- tables</p> <p>Tables are quite like tally charts except they have numbers instead of tally marks. When you are reading tables it is important that you read the questions carefully and look carefully at the headings (titles) on the table.</p> <p>Task: complete the sheet 'tables'</p> <p>https://whiterosemaths.com/homelearning/year-3/spring-week-6-statistics/</p>	<p>P.E - Pick 3 challenges to have a go at. This can be from the cards in your pack or from the Disney shake-ups. You might like to compete against your siblings (or grown-ups!)</p> <p>https://www.nhs.uk/10-minute-shake-up/shake-ups</p>
Friday	<p>Plot point 8- smells Complete the planning and writing page for the eighth verse of our poem. Just like in class green things everyone must change, red things year 4 must change and blue things are bonus challenges.</p>	<p>Today you have some problem solving questions involving tables.</p> <p>Some questions ask you to fill in the table - you will need to read the titles carefully and do some adding or multiplying.</p>	<p>PSHE -Read through the PowerPoint on communication and complete the tasks.</p>
Extras	<ul style="list-style-type: none"> - Reading- continue to read your assigned books on Epic and have a go at the reading comprehension. - Times tables- spend 10 minutes each day practicing on TTRockstars. - Art- follow along with one of Rob Biddulph's videos. - World Book Day- create a finger puppet of a book character or make an origami book mark (there are instructions in your pack) - PSHE- practice your non-verbal communication by playing charades. - Practice words from the new Year 3 tricky words list you have been given.
