

Year 4 Home Learning
 Week beginning: 1st March 2021

Year 4	English	Maths	Afternoon
Monday	<p>Plot point 4- decorations Complete the planning and writing page for the fourth verse of our poem.</p> <p>Just like in class green things everyone must change, red things year 4 must change and blue things are bonus challenges.</p>	<p>Statistics - interpreting charts Today is all about reading different types of charts and answering questions about them. The 2 types of chart you will be looking at are pictograms and bar charts which you will have learnt about in year 3. It will be important that you read everything carefully. This might be the key of a pictogram or the titles on a bar graph.</p> <p>Task: complete sheet 'interpret charts'</p>	<p>History - last week you learnt about the Bronze Age. This week complete the lesson on the Iron Age which will be our focus for the next few weeks.</p> <p>https://classroom.thenational.academy/lessons/who-were-the-celts-and-why-did-they-use-iron-cnhkir</p>
Tuesday	<p>Plot point 5- the sky Complete the planning and writing page for the fifth verse of our poem.</p> <p>Just like in class green things everyone must change, red things year 4 must change and blue things are bonus challenges.</p>	<p>Today you are reading charts and comparing information.</p> <p>Remember that:</p> <ul style="list-style-type: none"> - Difference and how many more means subtracting - Altogether and sum means adding <p>You will also need the < > = symbols - greater than, less than and equal to</p> <p>Task: complete the sheet 'comparison, sum and difference</p>	<p>Music - Complete the tasks set by Mr Sewell</p> <p>You could also have a go at creating your own piece of music using things you find outside like leaves, branches or stones.</p>
Wednesday	<p>Plot point 6- animals Complete the planning and writing page for the sixth verse of our poem.</p> <p>Just like in class green things everyone must change, red things year 4 must change and blue things are bonus challenges. Squirrels</p>	<p>Today we will start to look at line graphs. Line graphs are used to show continuous data. Continuous data means that it can be any value for example the height of a person or temperature. The opposite of this is discrete data like shoe size or favourite colours.</p> <p>When you read a line graph you go along the axis and then up to the line. There are examples in your pack</p>	<p>Science - Complete this lesson about circuits. When we are back in school you will have a go at making some of your own.</p> <p>https://classroom.thenational.academy/lessons/what-are-the-different-components-in-an-electrical-circuit-cdk34d</p>

Year 4 Home Learning
 Week beginning: 1st March 2021

	https://www.youtube.com/watch?v=rmGwCF3qJgk https://www.youtube.com/watch?v=S5a1efQvFNo Migration https://www.youtube.com/watch?v=ndJ26Zi3nN4 https://www.youtube.com/watch?v=hMAS4SdPj-w	Task: complete 'introducing line graphs' A ruler will help you.
