

April 2021

Dear Parent/carers,

It's the summer term already, and Year 6's will be waving goodbye at the end of the summer. Before they go we hope they will enjoy Bikeability, a school trip, their last sports day and a school disco (COVID allowing). See key dates attached.

Can I say how impressed I've been with the response to the FOCSA sponsored fitness challenge! Extraordinary amounts of money raised in aid of our playground project and also a significant donation from FOCSA towards this project. Thank you so much everyone.

Special mentions to Lottie-Mae, Meryl, Kayley, Alisha, Albie C, Ralph and Albie, Toby, Abigail, Isobel, Rose, Charlie, Ben, Chloe, Alfee, Christos, Chloe H. You took on some mighty challenges, walking and cycling. You deserve the prizes coming your way.

Sports achievements - last term the children took part in some inter- school competitions. KS1 had to take on various challenges in their PE lessons. They came 4th which was amazing and Rose came 2nd for the best girls individual score across all the schools. A silver medal is on the way! Henry and Amelia also produced some top scores.

In KS2 the children took part in a basketball competition, completing various challenges. In Y3/4 we came 3rd and Lilly got the second highest score for the girls across all the schools. Ben got a very high score too.

In Y5/6 we came 2nd and Logan got the second best individual score and Lottie-Mae got the second highest girls score across the schools. Again medals are on their way.

Thank you for responding to requests re safety in the car park and social distancing. This is much appreciated.

We welcome two new families to the school, in Year 1 and Year 5 and hope we can all meet up properly in the near future. I'm hoping that as restrictions are lifted we will have a picnic on Sports Day and parents can attend. Fingers crossed. Class photos should also happen this term.

Do take a look at our school website for any new key dates and recent photos.

Kind regards,

Mrs Harkin
