The school may be able to identify those individuals by using other existing information.

The school operates CCTV for the following purposes:

- for safeguarding children,
- for the prevention and detection of crime.

Our lawful basis for processing your personal data is Article 6(1)(e) and 6(1)(f) respectively:

- 6(1)(e) – Processing is necessary for the performance of a task carried out in the public interest or in the exercise of official authority vested in the controller – Safeguarding children.
- to be informed about how we process your personal data. This notice fulfils this obligation,

- to request access to your personal data that we hold, and be provided with a copy of it,
- to request that your personal data is erased where there is no compelling reason for its continued processing.
- 6(1)(f) – Processing is necessary for the purposes of legitimate interests – prevention and detection of crime.

Who has access to your personal data?

Your information will only be made available to school Governors or school employees where there is a need to investigate the recording. Only persons authorised by school management may have access to this footage.

Who do we share your personal data with?

We will only share CCTV footage with other agencies where there is a lawful reason to do so – for example to share with the police for the purposes of crime prevention or to assist in locating an absconding pupil.

How long do we keep your personal data for?

The school will retain this data for 4-8 weeks.

Do you transfer my data outside of the UK?

Generally, the information that the school holds is all held within the UK. However, some information may be held on computer servers which are held outside of the UK. We will take all reasonable steps to ensure your data is not processed in a country that is not seen as 'safe' by the UK government.

What rights do you have over your data?

Under GDPR, individuals have the following rights in relation to the processing of their personal data:
